Subfolders: Admissions, Application History, Application Statistics, Call Entry, Enrollment Statuses, Events, Goals, Imports, Scheduling, Visits

Page 1 of 22 Date: 8/24/05 09:40AM

| Field MasterLog | Field Name | Loc | Alias Table | Field Txt | Field Description |
|-----------------------------|---------------|-----|---------------------------------------|------------------------------|--|
| Admissions Folder | | | | | |
| Admissions Subfolder | | | (46 adm_rec) MasterLog Table | | |
| Adm Plan Enr Sess | plan_enr_sess | | | Planned Enroll Session | Session student expects to enroll at this institution. |
| Adm Plan Enr Sess Txt | txt | | sess_table | Session Description | Describes the session code. |
| Adm Plan Enr Sess Yr Ord | yr_offset | | sess_table | Session Order - Year | The order that this session falls in the calendar year. |
| Adm Plan Enr Yr | plan_enr_yr | | | Planned Enrollment Year | Year student expects to enroll at this institution. |
| Adm Acad Yr | acyr | | acad_cal_rec | Academic Calendar Year | Academic calendar year for this session and year. |
| Adm Prog | prog | | | Program Code- Admissions | Identifies the expected program of study of prospect (see Program table). |
| Adm Prog Txt | txt | | prog_table | Program Description | Describes the program code. |
| Adm Subprog | subprog | R | | Sub Program Code- Admissions | Identifies the expected subprogram of study of prospect (see subProgram table). |
| Adm Subprog Txt | txt | R | subprog_table | Subprogram Description | Identifies the subdivisions of an academic program. |
| Adm Act Choice | act_choice | | | ACT College Choice Rank | Code indicating how a student has prioritized the college. |
| Adm Add Uid | add_uid | | | Add UID | UNIX UID number of person who added this record |
| Adm Add User Name | userid_name | | userid_vw | Username | Unix username associated with this id an uid |
| Adm App Src | app_source | R | | Application Source | Identifies the type of source the application originated from. |
| Adm App Src Txt | txt | R | appsource_table | Application Source | Describes the application source. |
| Adm Apprentice | apprent | | | Apprentice Status | Indicates the student's status as registered apprentices. 0 if not in GAIN, else 1 - 8 for types of participation. |
| Adm Athletics? | athl | R | | Interest in Athletics | Indicates the applicant is interested in varsity athletics. |
| Adm Cl | cl | | | Incoming Classification | Incoming classification of this prospect related to hours previously taken (see Classification table). |
| Adm Cl Txt | txt | | cl_table | Class Description | The description of the classification code. |
| Adm Cnslr Id | cnslr_id | | | ID - Counselor | Identifies the admissions counselor assigned to this prospect. |
| Adm Cnslr Name | fullname | | id_rec | Counselor Fullname | Fullname of the counselor |
| Adm Date Add | add_date | | | Add Date - Admissions | Date the record was added to the system. |
| Adm Date Cert | adm_cert_date | R | | Date-Admissions Certif | Identifies the date the applicant was certified. for moving to registrar. |
| Adm Date Decsn | decsn_date | | | Date-Admissions Decision | Identifies the date the admissions decision was made. |
| Adm Date Fa Cert | fa_cert_date | R | | Date-Fin Aid Certif | Identifies the date the applicant was certified. for moving to financial aid. |

|-----------------------------|-------------|-----|---------------------------------------|-------------------------------------|---|
| Admissions Folder | | | | | |
| Admissions Subfolder | | | (46 adm_rec) MasterLog Table | | |
| Adm Date Move | move_date | | | Date- Program Enrollment | Date program enrollment record created. |
| Adm Date Upd | upd_date | | | Update Date - Admissions | Date the record was last updated. |
| Adm Decsn | decsn | | | Acceptance Decision Code | Identifies the decision of acceptance (see Decision table). Used for producing variable text acceptance letter.) |
| Adm Decsn Txt | txt | | dec_table | Acceptance Decision | Describes what kind of decision was made concerning acceptance to this institution. |
| Adm Deg | deg | | | Degree Code | Identifies the intended degree of this prospect (see Degree table). |
| Adm Deg Txt | txt | | deg_table | Degree Description | Text that describes the degree code. |
| Adm Deg Yr | deg_yr | | | Yr of Previous Degree | Year student received degree or certificate or year last attended school. This is associated with the ed status. |
| Adm Deggrp | deggrp | R | | Cohort | This is the cohort group used for billing |
| Adm Deggrp Txt | txt | | deggrp_table | Degree Group Description | Text that describes the degree group code. |
| Adm Doc | adm_doc | | | Add Documents | Indicates whether the automatic addition of document control contact should be enforced. Y - automatically add, N - do not add and C automatic update has already been completed. |
| Adm Doc Ctgr | doc_ctgry | | | Document Category | Code identifying the type of application documents the student should submit. |
| Adm Doc Ctgr Txt | txt | | reqadmdoc_table | Applicant Category Description | Long description for applicant category code. |
| Adm Early Decsn? | early_decsn | | | Early Decision | Y/N indicates that this student is a candidate for an early acceptance decision. |
| Adm Ed Goal | ed_goal | | | Educational Goal | Education goals/desires of prospect, eg. Bachelor's Degree, Masters or Doctorate (DEG_VALID). |
| Adm Ed Stat | ed_stat | | | Education Status | The student's incoming education status. This data is required for CA state reporting requirements. |
| Adm Emp Exp | empl_expect | | | Prospect/Institution Interest level | This field is now being used to track the interest level of a prospect. Previous intent was to track expect hrs of emp |
| Adm Enrstat | enrstat | | | Current Enroll Status | Identifies the current stage in the enrollment process of this prospect (see Enrollment Status table). |
| Adm Enrstat Txt | txt | | enr_stat_table | Enrollment Status Desc | Describes the enrollment status or stage of enrollment. |

| Field MasterLog | Field Name | Loc | Alias Table | Field Txt | Field Description |
|-----------------------------|-----------------|-----|---------------------------------------|---------------------------|--|
| Admissions Folder | | | | | |
| Admissions Subfolder | | | (46 adm_rec) MasterLog Table | | |
| Adm Enrstat Date | cur_enr_date | R | enr_stat_table | Date -Current Enrollment | Date that the current stage of enrollment became effective (see Enrollment Status table). |
| Adm Enrstat Prev | prev_enrstat | | | Previous Enroll Status | Previous stage in enrollment process (see Enrollment Status table). |
| Adm Enrstat Prev Date | prev_enr_date | | | Previous Enrollment | Date that the previous stage in enrollment process became effective (see Enrollment Status table). |
| Adm Enrstat Prev Txt | txt | | | Enrollment Status Desc | Describes the enrollment status or stage of enrollment. |
| Adm Eops Elig | eops_elig | | | EOPS Elig | Indicates the why the student did or did not qualify to participate in the EOPS program. |
| Adm Fa? | fa | | | Financial Aid Apply- Y/N | Y/N indicates whether the prospect intends to apply for financial aid. |
| Adm Gain Stat | gain_stat | | | GAIN Status | Indicates the student's status in the GAIN program. 0 if not in GAIN, else 1 8 for types of participation. |
| Adm Goal | goal | | | Adm Goal | Indicates the student's initial primary matriculation goal. |
| Adm Honors? | honors | | | Eligible for Honors | Signifies the applicant is eligible for honors scholarship. |
| Adm Hsg Type | hsg_type | | | Type of Housing | Type of housing arrangements prospect intends to make at institution. For example: (R)esident or (C)ommuter. |
| Adm Inq Cl | inq_cl | | cl_table | Inquiry Classification | This is the classification at inquiry time (see Classification table). |
| Adm Inq Cl Txt | txt | | | Inquiry Class Description | Long description for inquiry classification code. |
| Adm Intend Hrs Enr | intend_hrs_enr | | | Intended Hours | Number of hours for which student plans to enroll. Can be used for limiting the number of hours prospect may take. |
| Adm Last Ctc In | last_resp | | | Last Response | Last incoming document received or contact made with prospect (see Contact table). |
| Adm Last Ctc In Date | last_resp_date | | | Date - Last Response | Date the last incoming document was received or contact was made by prospect. |
| Adm Last Ctc Out | last_resrc | | | Last Resource | Last outgoing document sent or contact was made with prospect (see Contact table). |
| Adm Last Ctc Out Date | last_resrc_date | | | Date - Last Resource | Date last outgoing document was sent or contact was made with prospect. |
| Adm Major | major | | | Intended Major | Identifies the intended major of this prospect (see Major table). |
| Adm Major Txt | txt | | | Major Description | Long description for major code. |
| Adm Major2 | major2 | | | Intended Major | Identifies the intended major of this prospect (see Major table). |
| Adm Major2 Txt | txt | | | 2nd Major Description | Long description for 2nd major code. |

MasterLog Field Descriptions

Page 4 of 22 Date: 8/24/05 09:40AM

| Field MasterLog | Field Name | Loc | Alias Table | Field Txt | Field Description |
|-----------------------------|-----------------|-----------|---------------------------------------|-------------------------|--|
| Admissions Folder | | | | | |
| Admissions Subfolder | | | (46 adm_rec) MasterLog Table | | |
| Adm Matric Stat | matric_stat | | | Matric Status | Indicates the student's matriculation status for CCC. Either M for matric, or D if degreed and therefore exempt. |
| Adm Next Ctc In | next_resp | | | Next Expected Response | Next expected incoming document or contact with prospect (see Contact table). |
| Adm Next Ctc In Date | next_resp_date | | | Date - Next Response | Expected date for next expected incoming document or contact with prospect. |
| Adm Next Ctc Out | next_resrc | | | Next Expected Resource | Expected next outgoing document or contact with prospect (see Contact table). |
| Adm Next Ctc Out Date | next_resrc_date | | | Date - Next Resource | Expected date for next outgoing document or contact with prospect. |
| Adm Parent Contr | parent_contr | | | Parents Contribution | Dollar amount that the parent of prospect is expected to contribute for financial assistance. |
| Adm Predict | predict | | | Admissions Prediction | GPA prediction of likelihood of admission. |
| Adm Predict Type | predict_type | | | Prediction Type | A/B/C/D/N indicates classification of prediction types. |
| Adm Rank | rank | | | Waitlist Rank | Identifies student rank on waitlist. |
| Adm Reapp? | reapp | | | Reapplied - Y/N | Y/N indicates whether this prospect has ever applied to this institution before. |
| Adm Ref Id | ref_id | | | ID - Reference | Identifies the individual who referred this prospect to this institution. |
| Adm Ref Name | fullname | id_rec | | Referral Fullname | Fullname of the person who referred applicant. |
| Adm Ref Src | ref_source | | | Reference Source | Identifies how this prospect first learned about this institution (see Reference table). |
| Adm Ref Src Txt | txt | ref_table | | Source of Referral Desc | Describes how a person first learned about a particular thing, usually this institution. |
| Adm Soc Sec Ben? | ss_ben | | | Soc Sec Benefits - Y/N | Y/N indicates whether this prospect is eligible for or is currently receiving social security benefits. |
| Adm Trnsfr? | trnsfr | | | Transfer - Y/N | Y/N indicates whether this prospect is transferring from another school. |
| Adm Upd Uid | upd_uid | | | Upd UID | UNIX UID number of last person to update this record |
| Adm Upd User Name | userid_name | userid_vw | | Username | Unix username associated with this id an uid |
| Adm Vet Ben? | vet_ben | | | Veterans Benefits - Y/N | Y/N Indicates whether this prospect is eligible for or is currently receiving veterans benefits. |
| Adm Voc Ed | voc_ed | | | Voc Ed Status | Indicates the student's status as a vocational education student. |
| Adm Weight | stuint_wt | | | Student Interest Weight | Numeric weight related to this students interest in this institution. |
